Subject: Brocade Registered Reseller

---

To Whom It May Concern,

Brocade is an industry leader in providing reliable high-performance networking solutions to help the world's leading organizations transition smoothly to a world where applications and information reside anywhere. From data centers and enterprise campus networks to the service provider core, these solutions are based on a strategy for simplifying network infrastructures through innovative technologies. Brocade sells its products through various partnerships, such as distributors, resellers, OEMs, CSPs, GSIs, etc.

This serves to confirm that as of the date of this letter, NetProject has registered as a partner on the MyBrocade Partner Portal. As a registered partner, NetProject is able to prepare and submit proposals in response to bids, to the extent the proposal submitted includes products and solutions manufactured by Brocade.

This authorization does not guarantee special pricing. All special pricing must be authorized by Brocade and should appear on a separate, binding document.

Sincerely,

A handwritten signature in black ink, appearing to read "Pete Peterson".
